Elections

Having received the Notice of Uncontested Election we will have two vacancies for the Parish Council from 10th May. We can co-opt within 35 days to fill these vacancies and the Clerk will advertise the vacancies with a view to these being filled at the next Council meeting.

- ii) Cllr Sales stated that there had been no incidents reported on the NeenSavageCrimeWatch WhatsApp Group since the last meeting. PCSO Sue Eden has left the local policing team. PC Steve Mellor had asked for the main issues affecting the parish. The Clerk had suggested theft from sheds, outbuildings and farms; fly-tipping & littering; and animal crimes ie poaching, lamping and loose dogs around livestock. Council agreed for these issues to be submitted.
- iii) Cllr Ratcliff / Cllr Tomkinson Highway Maintenance Report.
 - The contractor has some ditching work to finish. The gullies all need jetting before work starts again in the autumn. The Clerk will confirm that licences are in place to cover the moving of spoil.
- iv) Cllr Vanderhook Parish Hall Report including proposals for grounds maintenance.
 - Cllr Vanderhook reported on the recent Parish Hall meeting and AGM held on 22nd March. The Hall is financially sound despite the temporary closure as they had received Covid support funds. A key safe has been installed for hirers to use to save time travelling to collect and return keys. The Hall should re-open in May for hiring and a re-opening event is being proposed for 17th July. The long-running issue regarding the roadside boundary was raised. The Committee had proposed to lay the hedge ten years ago but due to local opposition from the neighbours this was not done on the understanding that they would keep the hedge maintained to a manageable height. The hedge is now very thin and scraggy and it needs attention. The Parish Council is the 'Trustee of last resort' and as such the Hall Committee are asking the Parish Council to support proposals to improve the boundary hedge as there may be some opposition to the work. The Parish Council agreed to support the Parish Hall Committee to seek advice on the various options to improve this boundary hedge.

353/08 Unitary Councillors' Reports

Cllr Butler had not sent a report due to the election purdah. Cllr Shineton's report had been forwarded onto all Council members prior to the meeting (copy attached with Minutes). Cllr Shineton added that Future Fit work is on-going. There have been a few spikes in Covid cases in the county. The vaccination roll out is going well but Cllr Shineton urged everyone to still be careful. Cllr Tomkinson asked if there was any progress on the riverbank erosion following the Environment Agency visit. Cllr Shineton confirmed the EA and other officers have been out but she has not had any follow up so will chase the officers tomorrow. There has been a lack of communications recently from some officers which is very concerning. Cllr Tomkinson stated that the owner of Rose Hill had put in a new access to facilitate work to underpin Troutpool at the bottom of Ron Hill. This access may also help facilitate the river bank work upstream. Cllr Shineton thanked the Parish Council for their courtesy in inviting her to all the meetings over the years. The Chairman thanked Cllr Shineton for her efforts in the community.

At 8.03pm there was a short break in the meeting. Meeting re-convened at 8.08pm.

353/10 Parish Matters / Highways

- i) Cllr Del Mar raised concerns that a horse box has been parked at Six Ashes for 6-8 weeks and appears abandoned. Cllr Del Mar will check with Belle Vue Garage if they know anything about this in the first instance. If the owner is not tracked locally, then the Clerk can follow up with Shropshire Council and the police to investigate and take the appropriate action.
- ii) Some pot holes have been filled but very little work done overall. A letter which had been sent from another Council regarding the poor condition of Shropshire's roads was raised. Council generally agreed with the sentiment but not the aggressive tone in the letter. Council felt that following the election this matter should be discussed with a view to formally writing to Shropshire Council regarding the unacceptable condition of the roads, poor quality of repairs, etc. The Unitary Councillors would then be asked to take this up with Shropshire Council on behalf of the parish too.
- iii) Cllr Del Mar asked that the proposed event at the Parish Hall in July is advertised widely to encourage new residents to come along and meet others. She can publicise the event in the Vital Link too.

353/11 Future Agenda Items

Cllr Ratcliff proposed organizing a work party to tidy up Pike Common. It is recognized that a parishioner has grazing rights but the area does need tidying up. There have been issues with fly tipping and littering. The ground is very soft and people are discouraged from parking there. Matter to be discussed at the next meeting.

353/12 Date and Time of Next Meeting

The next Parish Council meeting will be held on Wednesday 26th May 2021 at 7.30pm at Neen Savage Parish Hall.

Cllr Vanderhook is retiring after many years of service and expressed his best wishes to the Parish Council. He was thanked for his support and commitment over the years.

The Chairman thanked everyone for attending and closed the meeting at 8.35pm.

It was agreed at the Parish Council Meeting (Minute Ref 354/07) that these minutes are a true record of the meeting, subject to the following corrections:-
