404/05 Matters Arising/Clerk and Councillor Reports

i) Clerk's Report

**Highways**

The Clerk reported the Asda Van incident in the river to Shropshire Council and asked that the Ford riverbank and Walford's Bridge are checked for structural integrity. There has been no response. BT have notified us that there will be a road closure on 6<sup>th</sup> May 2026 between 9.30am and 3pm as they need to reattend a site near The Pound due to access issues on their previous visit in January. The work involves overhead cabling works from outside the Pound, to opposite the corner with the Granary.

Shropshire Council is planning work for the next financial year (2026-2027) and as part of their improved engagement process, they are making us aware of essential maintenance work that is programmed to take place on the Baveney Culvert. To ensure the safety of both road users and their workforce, a road closure will be in place during the works. The works are currently scheduled for July 2026, and Shropshire Council will share exact dates and timings once they are confirmed.

**Pike Common**

Following site visits before and after the latest flood, it is noted that there are two trees fully across the river from the Rose Hill side which will need removing. A letter has been dropped off to the landowner and he has responded promptly and positively about removing the trees. Cllr Tomkinson and Cllr Ratcliff will also arrange a work party to tidy up the trees on the Pike Common riverbank.

**Annual Parish Meeting**

The Annual Parish Meeting booking for Wednesday 20<sup>th</sup> May 2026 has been confirmed.

The usual format will prevail and the local police officers will be invited to speak about local issues.
